

## 2010 Other Refereed Publications / Autres contributions avec comité de lecture

Bégin, Y., 2010, La Dendronivologie. Anthracologie Et Dendrologie, In: Payette, S. and Filion, L. (Eds) Dendroécologie, Concepts, Méthodes Et Applications, Presses De L'université Laval Accepted

Bégin, Y., Sirois, L. and Meunier, C., 2010, The Effects of Hydroelectric Flooding on a Reservoir's Peripheral Forests and Newly Created Forested Islands, In: Stoffel, M., Bollschweiler, M., Butler, D.R., Luckman, B.H. (Eds), Tree Rings and Natural Hazards, Springer Series Advances in Global Change Research Accepted

Boucher, É., Bégin, Y., Arseneault, D., 2010, Dendrohydrologie: Utilisation Des Cernes De Croissance En Hydrologie Historique, In: Payette, S., Filion, L. (Eds) Dendroécologie, Concepts, Méthodes et Applications, Presses de L'Université Laval Accepted

Boucher, É., Bégin, Y., Arseneault, D., 2010, La Dendrohydrologie, In: Payette, S., Filion, L. (Eds) Dendroécologie, Concepts, Méthodes et Applications, Presses de L'Université Laval Accepted

Couture, N.J., Forbes, D.L., Solomon, S.M., Manson, G.K., Pollard, W.H., 2006, The Canadian Beaufort Sea Coast, In: Pollard, W., Couture, N.J., Lantuit, H., Rachold, V. (Eds), Arctic Coasts - Circum-Polar Processes and Dynamics, McGill-Queen's University Press Accepted

Ferguson, S.H., 2010, Inuit, Polar Bears, and Sustainable Use: Local National and International Perspectives, In: Freeman, M.M.R., Foote, L. (Eds), Human Ecology 38:463-465, New York State College of Human Ecology at Cornell University Published

Hoque, M.A., Pollard, W.H., 2010, The Analysis of Block Failure Mechanics in Unconsolidated Frozen Sediments Along Arctic Coasts, In: Pollard, W., Couture, N.J., Lantuit, H., Rachold, V. (Eds), Arctic Coasts - Circum-Polar Processes and Dynamics, McGill-Queen's University Press Accepted

Lantuit, H., Steenhuisen, F., Graves-Gaylord, A., Ödegård, R., Atkinson, D., Rachold, V., 2010, The Arctic Coastal Dynamics Geospatial Framework, In: Pollard, W., Couture, N.J., Lantuit, H., Rachold, V. (Eds), Arctic Coasts - Circum-Polar Processes and Dynamics, McGill-Queen's University Press Accepted

Marguerie, D., Bernard, V., Bégin, Y., Terral, J.-F., 2010, Anthracologie Et Dendrologie, In: Payette, S., Filion, L. (Eds), Dendroécologie, Concepts, Méthodes Et Applications, Presses De L'université Laval Accepted

Mcbean, G.A., 2010, Climate Change, Adaptation, and Mitigation, In: Mitchell, B. (Ed), Resource and Environmental Management in Canada, 4th Edition, P.137-171, Oxford University Press Published

Mcbean, G.A., 2010, Coping With Global Environmental Change – the Need for an Interdisciplinary, Integrated Approach, In: Brauch, H.G., Spring, Ú.O., Mesjasz, C., Grin, J., Kameri-Mbote, P., Chourou, B., Dunay, P., Birkmann, J. (Eds.), Coping With Global Environmental Change, Disasters and Security – Threats, Challenges, Vulnerabilities and Risks. Hexagon Series on Human and Environmental Security and Peace, Vol. 5, Springer-Verlag Accepted

Nicault, A., Bégin, Y., Guiot, J., 2010, La Standardization Des Series Dendrochronologiques, In: Payette, S., Filion, L. (Eds), Dendroécologie, Concepts, Méthodes et Applications, Presses de L'Université Laval Accepted

Taylor, R.B., Atkinson, D.E., 2010, Coastal Environments of the Canadian Arctic Archipelago, in Pollard, W., Couture, N.J., Lantuit, H., Rachold, V. (Eds), Arctic Coasts - Circum-Polar Processes and Dynamics, McGill-Queen's University Press Accepted

Zimmermann, C., Poulin, M., Pienitz, R., 2010, The Pliocene-Pleistocene Freshwater Flora of Bylot Island, Nunavut, Canadian High Arctic, In: Dermot, A., Hamilton, P.B., Douglas, M.S.V., Smol, J.P. (Eds), Diatoms of North America, Iconographia Diatomologica 21 Published
